

Fifth Grade State Food Celebration!
The Food Celebration will be the first week in June.

- You are invited to bring in a sample of a delicious food and/or drink from the state of which you have completed your projects. Having three kids of my own, I know that the end of the year is filled with activity. Please do not feel pressured into bringing something in to share. Only bring something in if it brings you joy and gives you satisfaction to cook for others. Please bring in a dish or treat or drink for at least 15 people. We will be having our celebration in the social studies classes on June 4th.
- People who do bring in something to share will receive extra credit. Those who are not able to bring in a food, dessert, or drink **may complete another project for extra credit.** Please check out Mrs. Looney's home page for ideas for extra credit projects. **Or come see Mrs. Looney for extra credit ideas.**
