

What Can One Little Person Do?
By Sally Rogers

What can one little person do?
What can one little me or you do?
What can one little person do to help this world go 'round?
One can help another one,
and together we can get the job done.
What can one little person do to help this world?

Harriet Tubman was alone
on the darkened road to freedom,
but she couldn't leave her people far behind.
Moses stretched out her hand,
she led them to the Promised Land,
'cause she knew that she had justice on her side.

What can one little person do?
What can one little me or you do?
What can one little person do to help this world go 'round?
One can help another one,
and together we can get the job done.
What can one little person do to help this world?

When Sojourner Truth was free,
she got down on her knees,
prayed to God to help her on her way.
With her voice and with her might,
she fought for what was right,
'cause she knew she had justice on her side.

What can one little person do?
What can one little me or you do?
What can one little person do to help this world go 'round?

One can help another one,
and together we can get the job done.
What can one little person do to help this world?

Rosa Parks sat on the bus,
and the driver said, "You must
move to the back of the bus, or else be thrown in jail."
But she stayed and stood her ground,
she brought that old law down,
'cause she knew that she had justice on her side.

What can one little person do?
What can one little me or you do?
What can one little person do to help this world go 'round?
One can help another one,
and together we can get the job done.
What can one little person do to help this world?

Brother Martin Luther King
he told the world "I have a dream!"
he led this country's fight for human rights.
We must fight for liberty, until all of us are free,
to know we have justice on our side.

What can one little person do?
What can one little me or you do?
What can one little person do to help this world go 'round?
One can help another one,
and together we can get the job done.
What can one little person do to help this world?
One can help another one,
and together we can get the job done.
What can one little person do to help this world?
