Here are is a fun ice breaker to use with your class at the start of the year. You can play in two ways: either give your students time to mingle and ask each other questions or hand the grid out at the start of the week and give them a few days to fill it out during lunch, recess and other unstructured times.

A similar activity for grades 2-3 is available in my [Teachers Pay Teachers Store](http://www.rachel-lynette.com).
