I know that the following information may be overwhelming. We are trying to prepare each student for seventh grade and beyond. The first few weeks can be frustrating and difficult for many students, but we keep reminding them to be patient with themselves. Within a few weeks, students learn to be efficient and organized and everything comes together.

From what I have seen so far, this is a group of extraordinary students who are kind, fun, and hardworking. I am really looking to working with you this year to help our students gain confidence, support their love of learning, and give them what they need to work hard.

Please be in touch with me if there is anything I can do for you.

Contact information:

Parent/teacher communication is of utmost importance. Please feel free to contact me if you have any questions or concerns. I appreciate your support and look forward to working together. Please contact me via email or via the Teams Chat. I will gladly set up a phone conversation, if you prefer.

Grading Procedures:

Social Studies and Writing

- Tests, projects, homework, classwork, participation, extra credit, quality of work: 100%

*****Each student has been assigned a username and password in order to be able to access grades from the PowerSchool Gradebook. Students have written their username and password in their agendas and were instructed to bring the letter with that information home. Several grades will also be posted on the General Page on Teams. Search for "Grades" on the General Page on Teams. If possible, please check your child's grades and missing assignments on a weekly basis. It is highly recommended that each student checks his or her grades and missing assignments on a daily basis. (Students are able to check their grades and assignments at school in study hall.) It is the student's responsibility to check with Mrs. Looney to ask about missing assignments and to make up missing assignments. PLEASE CALL ME IF YOU HAVE ANY QUESTIONS ABOUT YOUR CHILD'S MISSING ASSIGNMENTS AND/OR ABOUT THE POWERSCHOOL GRADEBOOK. I am here to help, and will do anything I can to help support you and your child. I can be very flexible, if necessary. I aim to work with you to ensure your child's success.**

HOMEWORK:

- Homework is assigned to reinforce what is learned in class. If a parent or student has any questions about an assignment, please contact Mrs. Looney as soon as possible. Mrs. Looney checks her email and Teams until about 8:00PM each evening and will respond to your questions as quickly as possible. I will gladly set up a phone conversation if you prefer.
- Homework will be assigned several times a week and is expected to be completed by the assigned due date. 20 points will be deducted the first day that an assignment is late and missing. 5 additional points will be deducted for each additional day that the assignment is late. A "0" is earned for each missing assignment.

- If a student is absent from class because of band, illness, or another reason, it is the student's responsibility to see Mrs. Looney for any materials or assignments that are missing. **YOU CAN ALSO CHECK THE POWERSCHOOL GRADEBOOK AND THE TEAMS ASSIGNMENT PAGE FOR ANY MISSING ASSIGNMENTS.** All assignments will be posted on the Teams assignment page.
- Please check your child's agenda and the Teams Assignment page each evening to support your child with their homework. Please sign your child's agenda each evening. The homework is written on the White Board in class every day. It is the students' responsibility to write down their homework in their agenda each day.
- Please check Mrs. Looney's website for classwork and homework assignments, projects, study guides, resources, and suggestions. Every effort is made to keep the website as up-to-date as possible. www.mrslooney.weebly.com
