

# INTERNATIONAL COUNTRY PROJECT: **Introduction**

**Write at least two paragraphs about the country you wish to "visit":**

- **Type up a two-paragraph introduction for your country project while answering the questions below. Write at least four sentences per paragraph for a total of eight sentences. Most students will write more than four sentences per paragraph.**
- The goal for this week is for students to decide on a country that they wish to "visit" and research fun facts about this country.
- Check out Mrs. Looney's Class Website to get ideas for your country project. <http://mrslooney.weebly.com/sixth-grade-international-case-study.html> Students will peruse the instructions and all of the projects that are listed on this web page to get ideas of which country they wish to "visit."
- After you have decided which country you wish to "visit," students will begin to research all about the country of choice.

**While researching your country, please consider the following questions:**

- **Where will you visit?** What continent interests you? Africa, Europe, Asia, South America, Australia? Pick a continent and then narrow down the country you wish to "visit."
- **What is the purpose of your adventure, the reason for your adventure?** Do you want to visit cities, climb mountains, learn new languages? What is it that **interests** you about the country?
- What would you like to **do and see** on your adventure? Where would you specifically like to visit in the country of your choice?
- **What do you hope to learn** while "visiting" your country?
