Dear Students and Parents,

I am thrilled to be your writing and social studies teacher this new school year. I am looking forward to a wonderful year.

I would like to take a moment to share a few things about myself. I am married and have three children named Aidan, Nora, and Maeve. They are eighteen, sixteen, and fourteen years old. We have been living in Allegany County for eleven years now and are loving every minute of it. I have lived in many interesting places including Africa and South America, Boston, MA, New Mexico and South Dakota. I can't wait to share my stories with you and to hear your stories.

I am an adventurer and love discovering new things in books, in the outdoors, and all around me. I love to write about what I am learning. We are going to do some very interesting writing projects in our class this year.

Please be sure that you bring in each item that is on the **supply list** and make sure each individual item is labeled with your name in permanent marker **prior** to bringing the supplies to school.

Please feel free to check out my website. Also, please feel welcome to add your ideas about your favorite books to the blog on my website. My website is:

www.MrsLooney.weebly.com ***Please note that there isn't a period after "Mrs" in the site address. The supply list, the Summer Writing Extra Credit, and many other resources can be found on my website.

I look forward to working with you.

All is well.

Sincerely,

Mrs. Lisa Looney
