

Islam's Cultural Achievement Poster

- While using The Islamic World packet, students will devise a poster summarizing Islam's cultural achievements.
- Students will organize their poster in a creative way of their choice.
- Students will draw symbols or imagines that represent the different cultural achievements of Islam.
- Students will use color to make their posters stand out.
- Students will label their drawings of the Islamic achievements.
- Students will use rulers to write the heading of their poster as well as to label their drawings.
- Students will add a word bank of important “words to know” with definitions.
- Students may use ultra-fine Sharpies to highlight important labels, words, or definitions.
- Be sure that all of your spelling is correct.
- Be sure that you use your neatest handwriting.
