Dear Families,

I am thrilled to be your writing and social studies teacher next year. I am looking forward to a wonderful year.

I would like to take a moment to share a few things about myself. I am married and have three children named Aidan, Nora, and Maeve. They are 21, 19, and 17 years old. We have been living in Allegany County for fourteen years now and are loving every minute of it. I have lived in many interesting places including Africa and South America, New Mexico and South Dakota. I can't wait to share my stories with you and to hear your stories.

I am an adventurer and love discovering new things in books, in the outdoors, and all around me. I love to write about what I am learning. We are going to do some very interesting writing projects in our class next year.

I look forward to hearing about all of the books that you will **read over the summer**. I know that many of you will spend **as much time as possible** reading throughout the summer.

I also look forward to seeing the **writing** that you will have created during the summer. If you bring the completed writing samples to school the first week of school, you will earn extra credit points in both writing and social studies.

Please feel free to check out my website. There are MANY ideas for reading and writing extra credit creations on my website. My website is: www.MrsLooney.weebly.com ***Please note that there isn't a period after "Mrs" in the site address.

In summary, **I encourage you to read and write a little bit each day**. Preparing during the summer for the rigors and enjoyment of next year will help you tremendously for the upcoming school year.

Please be sure that you bring in each item that is on the **supply list** and make sure each individual item is labeled with your name in permanent marker **prior** to sending the supplies to school. *****The supply list can also be found on my website.**

Please feel free to send me an email or a message on the TEAMS CHAT. I would really love to hear from you.

I look forward to working with you next year.

Have a great summer.

All is well.

Sincerely,

Mrs. Lisa Looney
