Jewish Texts and Beliefs Poster

Directions:

You will be creating a "Scroll Poster" of the various Jewish texts and beliefs. Please use your notes, workbook, and textbook (pgs. 236-241) to help you find information.

Please include:

- Monotheism
- Justice
- Righteousness
- Mosaic Laws
- The Torah
- Commentaries
- Dead Sea Scrolls

Please include DEFINITIONS for these words and separate them into 2 different sections: texts and beliefs.

You may organize your "Scroll Poster" however you would like to. This is your time to be creative! 😊

You may include color and pictures with your words. Please be neat and organized. You are encouraged to use the fine tip Sharpies to go over your words. You will be graded on the accuracy of the definitions and the effort put in to the poster.

This project will be due on the day of your test, Friday, October 12th.
