

NAME: \_\_\_\_\_

## **Principles of Jainism and Sikhism: Diagram and Paragraphs**

- 1) Read **pages 157-159** in the social studies textbook.
- 2) In the packet, **in your own words**, write down the **four basic principles of Jainism**.
- 3) In the packet, **in your own words**, write down the **basic principles of Sikhism**.
- 4) **Draw a diagram** that depicts and explains the **four basic principles of Jainism and the basic principles of Sikhism**. Organize your thoughts, what you have learned, facts, and ideas using boxes, circles, arrows, pictures, symbols, etc. **Use bright vibrant colors** to represent the value of color in the Indian culture.

The diagram is due: \_\_\_\_\_

- 5) Pick one of the basic principles of Jainism and/or Sikhism that you feel is the hardest to follow.
- 6) Write at least three paragraphs that explain why you think the principle that you chose is the hardest to follow.

The paragraphs are due: \_\_\_\_\_

You will earn a separate grade for the diagram AND a grade for the paragraphs.

## **Four Basic Principles of Jainism:**

1. Injure no life
2. Tell the truth
3. Do not steal
4. Own no property

**Sikhism:** monotheistic, blended ideas from Hinduism and Islam, believed in reincarnation, pray several times a day, wear turbans.

## **Basic Principles of Sikhism:**

1. People should live truthfully
2. Treat all people equally.

## **Four Basic Principles of Jainism:** (in my own words)

## **Basic Principles of Sikhism:** (in my own words)
