

What does the author MEAN?

The quote is saying that...

The quote is explaining that...

This shows...

This means...

This suggests...

This confirms ...

The quote shows that...

This is because...

This quote helps explain...

This makes me realize...because...

For instance...

For example...

One example of...

Another example of...

I wonder why, how, what, if...

Examples of this include...

On the one hand...

I used to think..., but now...

This text teaches that...

This text demonstrates...

A lesson that I have learned from this text is...
